Engineering Council

Certificate Framing Service

Should you now wish to display your certificate permanently, either at home or your place of work, the Engineering Council has commissioned The Professional Framing Company to produce an elegant hand-made frame. The frame includes a blue coloured mount especially chosen to complement your certificate, thus ensuring it will be displayed to its very best effect. Frame and mount are suitable for all certificates issued by the Engineering Council.

Features include:

- *Uniquely, inscribed in silver lettering on the bottom of the mount are the words.*

Engineering Council

- *Non reflective glass to allow glare free viewing from all angles.*
- *Removable backboard to allow easy insertion and, if required subsequent removal of your certificate.*

Finish offered:

- *Contemporary, matt black*
